SCHOOL LUNCH PROGRAM

School Lunch Option:

At Snow Valley, we understand the importance of re-fueling to maintain the energy to ski and snowboard all day. Take advantage of Snow Valley's affordable, fast, and fresh lunch from our concession.

The quantity of lunch tickets required for your school must be provided to our Groups Coordinator **2 weeks in advance** of your scheduled visit.

Lunch Ticket:
$12 per student (no minimum number of tickets per school required)

Choose from:
- Hot Dog & Fries
- 2 Chicken Strips & Fries (Halal)
- Large Poutine (Vegetarian, Gluten-friendly, Halal)

Options all include a fountain pop or juice box and a granola bar or fruit snack.

Students that have signed up will receive a physical Lunch Ticket. When they are ready to order, they will line up at concession, present their ticket and make their food selection, then wait in the pickup line for their order number.

The Lunch Ticket food options are discounted from the standard menu price and will be ready much quicker than other food options so students can spend more time skiing & snowboarding. Our regular cafeteria fare is also available from 9am to 8pm daily.

We require that parent volunteers and/or teachers help with line control at concession and help students through the ordering process.

Note:
- Lunch Tickets must be pre-ordered 2 weeks prior to your arrival date
- Lunch Tickets will NOT be available for purchase on the day of your visit
- Lunch Tickets will be invoiced with school payment

To order your Lunch Tickets or for more info, contact the School & Group Coordinator at 780-809-2373 or groups@snowvalley.ca
